WILL YOU DARE TO ENTER THE CUBE?

**SEVEN DECEPTIVELY SIMPLE GAMES.
NO ROOM FOR ERROR.**

Played in groups of four, get ready to immerse yourself within the high-pressure confines of the iconic glass box. Don't worry if you're bringing an odd number of players - we'll make sure everyone gets put to the test against THE CUBE.

Designed to challenge your physical and mental agility, you and your team will need to master skills including balance, speed and judgement.

Win points, do not lose your lives, and maybe you'll join the elite few who can claim they have beaten THE CUBE.

WE ARE NOT JUST ABOUT THE GAMES

WE ARE SERIOUS ABOUT GREAT FOOD TOO.
THERE'S SOMETHING FOR EVERYONE.

The **BUTCHER** EST. 2012

Craving the ultimate burger experience? Then dive into the world of THE BUTCHER, where fast food is prepared on the spot, using only the freshest of ingredients. From the best quality Aberdeen Angus beef, to the selection of vegetables and THE BUTCHER signature sauce, we're serving the best burgers in town.

PIZZA *ToniLoco*

Toni Loco is more than your typical Italian-American style pizza restaurant. Featuring authentic 20" pizza made with the characteristic hand-tossed thin crust. Toni only chooses the best ingredients and strictly by-the-book authentic toppings, with fresh tomato sauce and shredded mozzarella cheese.

The **BUTCHER** *Sharing* EST. 2012

Dive into our Sharers, perfect for sharing great moments and even better flavours. Enjoy the Burger Slider Platter, loaded nachos, or baskets of BBQ or Spicy Chicken Wings, each bursting with bold taste. At THE BUTCHER, our Sharers bring people together over unbeatable flavour.

The **BUTCHER** *Small Plates* EST. 2012

Discover our Small Plates, meticulously crafted with the finest ingredients. Enjoy succulent beef skewers, vibrant Padron Peppers, Shichimi spiced Salt and Chilli Squid, fresh salads, and perfectly spiced samosas. At THE BUTCHER, every dish is all about top-notch flavour and unforgettable taste.
